Cengage Learning	<b>Century 21 Accounting General Journal</b>	<b>Gilbertson</b>	<b>2009</b>	<b>9-12</b>	<b>9780538447560</b>	<b>67%</b>
	Note: Use for first year course only.					
	Key Features: Unique focus on Financial Literacy in feature boxes throughout the text addresses both business finance issues and critical personal finance topics. New Real Companies featured throughout this edition--chosen by the Student Advisory Board--capture interest within fascinating chapter openers and effective examples. Actual businesses, such as Gold's Gym, American Eagle, eBay, and Old Navy connect chapter topics to what's driving business decisions and organizations. New Character Counts features respond to the increasing importance of ethics and personal character in accounting today. These ethical dilemmas within every chapter assist students with decision-making and critical thinking skills, while challenging their personal character development.

	Key Features: Career Clusters present the needed skills, education, work experience, and industry opportunities for a variety of business-related career paths. Web Workout is an end-of-chapter activity that gets students online to research some of the latest business topics and trends. Corporate Social Responsibility focuses on how businesses interact in the community and take a positive role in environmental issues. Taxes in Your Life Appendix covers types of taxes, federal income tax basics, completing a Form 1040, and tax planning strategies. Work as a Team allows students to experience dynamics that enhance the learning process and learn the benefits and concerns of shared decision-making.

	Note: Correlation is to a generic evaluation form. Key Features: Course work informs students of their various financial responsibilities, and provides opportunities for self-awareness, expression, and satisfaction in a highly technical and competitive society. Students discover new ways to maximize their earning potential, develop strategies for managing their resources, explore skills for the wise use of credit, and gain insight into the different ways of investing money. Written specifically for high school students, special sections in each chapter hold student interest by focusing on current trends and issues consumers face in the marketplace.

Integrated Academic Skills help teachers reinforce student learning to help meet NCLB guidelines and provide rigor. Research-based Reading Strategies help students improve reading skills and comprehend key concepts and information. Partnerships with Standard and Poor's and BusinessWeek provide real-world activities that bring relevance to learning. Current topics such as globalization, ethics, technology, and cultural diversity are covered.

	Note: Correlations to generic evaluation form.  Key Features: Course is designed to prepare students to make wise financial decisions in personal situations. The program helps students realize that they are already making financial decisions and shows them how their decisions affect their future. High-interest features, an engaging visual program, and easy-to-read content make the program useful for all types of learners. Real-World Applications promote critical thinking skills and links finance to other fields of study. Standard & Poor's Case Study includes an analysis, recommendation, as well as three critical thinking questions. Financial Literacy lessons on the web site, featuring BusinessWeek in partnership with Standard & Poor's, provide customized online activities based on BusinessWeek, the world's most popular business magazine.
